PRELIMINARY AMENDMENT

Hon. Commissioner of Patents  
Washington, D.C. 20231

Sir:

Prior to the initial examination of this Application, please consider and enter the following preliminary amendments.

IN THE CLAIMS:

[Please amend claims 1-15 as follows:]

1. (Amended) A method for supporting mobility in a wireless telecommunications [telecommunication] system, [comprising] the system including at least one terminal, an access point currently serving the terminal and a plurality of other access points, wherein the access points may be grouped into networks and the terminal is [arranged] configured to collect information [about] related to available access points, [characterized by] the method comprising:
